

6 Ways to Improve Your Entrepreneur Network

BE ACTIVE ON KEY SOCIAL MEDIA

Reach out to individuals that you would like to connect and keep in touch with through social media platforms such as LinkedIn.

JOIN A COWORKING SPACE

Coworking spaces provide a casual and flexible environment where you can make authentic connections.

ATTEND MONTHLY LOCAL MEETUPS

Attending local meet ups can help you discover a variety of different individuals.

TAKE PART IN ONLINE CLUBS FOR ENTREPRENEURS

With this, you are able to meet like-minded individuals and have a chance to exchange ideas and receive advice.

VOLUNTEER YOUR TIME

Working at the front office for a company or being an intern can help you grow your network.

STAY IN TOUCH WITH YOUR NETWORKS

To maintain your relationship with your networks and see any potential they offer, follow up with them.
