

THE FUTURE IS CO-WORKING

"Commercial property market is heading in the right direction, with ideally, large corporations are returning to flexible office use post-COVID".

- David Dinh at the 2020 French-ANZ Business Forum

Data from osDORO's analytical team revealed an increase of 35% from corporate clients during COVID. Large corporations are looking to escape the intensity of the corporate environment. A place to reconnect, focus and still be productive in a professional environment.
